All four Military Training Areas without inhabitants are also listed in the publication.

It is important to mention that published numbers, based on the population balance of the CZSO, differ from the Municipal authorities records, administrated according to the Act No. 133/2000 Sb.

All data refer to citizens of the Czech Republic and foreigners with permanent residence in the Czech Republic, third-country nationals with temporary residence in the territory of the Czech Republic based on a long-term visa (over 90 days) or a permanent residence permit, nationals of the EU Member States, Norway, Switzerland, Iceland, Liechtenstein and their dependants with notified temporary residence in the territory of the Czech Republic and foreigners with valid asylum status in the Czech Republic.

We note that published numbers are last figures in ten-year intercensal period, based on the results of Population Census 2011 and they are not recounted on the results of Population Census 2021.
