## Metodické vysvětlivky, poznámky, zdroje

### Osada

- podle rakouského zákona o sčítání lidu z roku 1869 definována jako místně oddělená část obce, která měla vlastní číslování domů (tzv. konskripční osada)

### Část obce

- výraz zaveden od sčítání lidu, domů a bytů v r.1961, evidenční jednotka vytvářená objekty s čísly popisnými, resp.evidenčními a náhradními, přidělenými v jedné číselné řadě

### Obec

- územní celek vymezený obecní hranicí

### Okres

- územně správní jednotka vymezená okresní hranicí

### Názvy obcí a částí obcí

- v lexikonu jsou uvedeny úřední názvy obcí a částí obcí platné k 1.1.2005

## DATOVÁ ČÁST II.DÍLU LEXIKONU

Skládá-li se obec z částí, jsou části obce řazeny v abecedním pořádku a očíslovány pořadovým číslem v rámci obce, včetně části obce, která nese shodný název jako celá obec

### Počet obyvatel

- Počet obyvatel je převzat z výsledků sčítání lidu, v roce 1869 se zjišťovalo obyvatelstvo přítomné civilní, v letech 1880-1950 obyvatelstvo přítomné, v letech 1961-1991 obyvatelstvo trvale bydlící (tj. hlášené v obci k trvalému pobytu) a v roce 2001 obyvatelstvo bydlící včetně cizinců s dlouhodobým pobytem

### Počet domů

- V letech 1869-1950 je uveden celkový počet domů, v letech 1961-2001 počet domů trvale obydlených. Ze sčítání lidu, domů a bytů v r.1961 byl publikován počet trvale obydlených domů pouze za obce, v lexikonu proto nebylo možné uvést údaje o počtu trvale obydlených domů za jednotlivé části obcí

## POZNÁMKY

- Publikované údaje jsou přepočteny na územní strukturu platnou k 1.1.2005. V některých případech, např. u větších měst, nebo při územních změnách, nebylo možné rekonstruovat a uvést historická data na dnešní administrativní členění, resp.územní strukturu, v takových případech bylo použito symbolu „.“. Poznámky v datové části lexikonu uvedené za údaji za jednotlivé okresy blíže osvětlují konstrukci časové řady obyvatel a domů, nikoliv případy vyplývající ze slučování obcí, částí obcí, jejich přejmenování apod. Jsou uváděny tak, že nejprve je uvedeno pořadové číslo obce v rámci okresu (člení-li se obec na části, následuje pořadové číslo části obce) a následuje vysvětlující poznámka.

## ZDROJE
