FIŠEROVÁ, E. *Lineární statistické modely.* Olomouc: UP, 2015.

HOLICKÝ, M. *Aplikace teorie pravděpodobnosti a matematické statistiky.* Prague: ČVUT, 2015.

HRON, K., KUNDEROVÁ, P. *Základy počtu pravděpodobnosti a metod matematické statistiky.* Olomouc: UP, 2015.

JARUŠOVÁ, D. *Pravděpodobnost a matematická statistika.* Prague: ČVUT, 2015.

PILATI, M., SHEIKH, H., SPEROTTI, F., TILLY, CH. *How Global Migration Changes the Workforce Diversity Equation.* Cambridge Scholars, 2015.

Conferences

The European Conference on Quality in Official Statistics (Q2016) will take place in **Madrid, Spain, from 1st to 3rd June 2016.** The conference is organized by the National Statistical Institute of Spain (INE) and Eurostat and aims to cover relevant and innovative topics on quality ranging from the challenges and the new paradigm of quality in an information and knowledge-driven society including big data and multi-source statistics, to governance and management aspects like the ones linked to the ESS Vision 2020 or the lessons learned from 2013–2015 peer reviews in the European Statistical System. More information available at: <http://www.q2016.es>.

The 22nd International Conference on Computational Statistics (COMPSTAT 2016) will take place at the Conference Centre of **Oviedo, Spain, during 23–26 August 2016.** The conference aims at bringing together researchers and practitioners to discuss recent developments in computational methods, methodology for data analysis and applications in statistics. The conference is organized by the University of Oviedo. More information available at: <http://www.compstat2016.org>.

The 19th International Scientific Conference Applications of Mathematics and Statistics in Economics (AMSE 2016) will be held in **Banska Stiavnica, Slovakia, from 31st August to 4th September 2016.** These conferences are organized each year by three Faculties of three Universities from three countries – University of Economics, Prague, Czech Republic, Matej Bel University in Banska Bystrica, Slovakia, and Wrocław University of Economics, Poland. More information available at: <http://amse.umb.sk>.

The 34th International Conference on Mathematical Methods in Economics (MME 2016) will take place in **Liberec, Czech Republic, during 6–9 September 2016**. The conference is a traditional meeting of professionals from universities and businesses interested in the theory and applications of operations research and econometrics. Conference is held under auspices of the Technical University of Liberec, Czech Republic, Czech Society for Operations Research, Slovak Society for Operations Research and the Czech Econometric Society. More information available at: <http://mme2016.tul.cz>.

The 24th Interdisciplinary Information Management Talks (IDIMT 2016) will be held in **Poděbrady, Czech Republic, from 7th to 9th September 2016**. More information available at: <http://www.idimt.org>.

The 10th International Days of Statistics and Economics (MSED 2016) will take place in **Prague, Czech Republic, during 8–10 September 2016**, organized by the Department of Statistics and Probability and the Department of Microeconomics, University of Economics, Prague, Czech Republic, Faculty of Economics, Technical University of Košice, Slovakia, and Ton Duc Thang University, Vietnam. The aim of the conference is to present and discuss current problems of statistics, demography, economics and management and their mutual interconnection. More information available at: <https://msed.vse.cz>.
