Conferences

The European Conference on Quality in Official Statistics (Q2016) will take place in “**Círculo de Bel-las Artes**” in **Madrid, Spain, from 1st to 3rd June 2016**. The conference is organized by The National Statistical Institute of Spain (INE) and Eurostat and aims to cover relevant and innovative topics on quality ranging from the challenges and the new paradigm of quality in an information and knowledge-driven society including big data and multi-source statistics, to governance and management aspects like the ones linked to the ESS Vision 2020 or the lessons learned from 2013–2015 peer reviews in the European Statistical System. More information available at: <http://www.q2016.es>.

The 22nd International Conference on Computational Statistics (COMPSTAT 2016) will take place at the Conference Centre of **Oviedo, Spain, during 23–26 August 2016**. The conference aims at bringing together researchers and practitioners to discuss recent developments in computational methods, methodology for data analysis and applications in statistics. The conference is organized by the University of Oviedo. More information available at: <http://www.compstat2016.org>.

The 19th International Scientific Conference "Applications of Mathematics and Statistics in Economics" (AMSE 2016) will be held in **Banska Stiavnica, Slovakia from 1st to 4th September 2016**. These conferences "*Applications of Mathematics and Statistics in Economics*" are organized each year by three Faculties of three Universities from three countries – University of Economics, Prague (Czech Republic), Matej Bel University in Banska Bystrica (Slovakia) and Wrocław University of Economics (Poland).
