*Afforestation/reforestation*  
– *total*  
– *with selected tree species*  
*Roundwood removals*  
– *coniferous*  
– *non-coniferous*  
*Area of hunting grounds*  
*Game shot*

#### **15. Industry**

*Industrial production index, fixed base*  
*Employees of industrial enterprises and their average monthly gross wage*  
*Production of selected food products*

#### **16. Energy**

*Exports and imports of electricity*  
*Production of electricity by source*  
*Production of electricity from renewable sources and waste*  
*Coal and lignite mining and manufacture of coke*  
*Crude oil refinery processing*

#### **17. Construction**

*Fixed base construction production*  
*Size of dwellings in completed buildings*  
*Building permits granted*  
*Construction work orders in the CR*  
– *new orders*  
– *average value per 1 order*

#### **18. Trade, hotels, restaurants and tourism**

*Collective accommodation establishments*  
– *guests*  
– *overnight stays*  
*Long leisure trips of Czech citizens*  
– *by destination*  
– *by main purpose*  
– *by selected countries*

#### **19. Transport**

*Rail and road transport outputs*  
*freight transport*  
– *freight transport outputs*  
– *tonnage of goods transported*  
*passenger transport*  
– *freight transport outputs*  
– *transport of passengers*  
*Air transport outputs*  
*Outputs of airports in the CR*

#### **21. Information and communication technology**

*Information and communication technologies*  
*Usage of computers and Internet*  
*Selected Internet activities*  
*Expenditure of households on telephone and Internet services*

#### **22. Science and research**

*R&D expenditure*

*R&D personnel by sector*  
*Students of universities – science and engineering*  
*External trade in high-tech goods*

### **23. Education**

*Children, pupils, and students*  
*Expenditure on education*  
*– state budget*  
*– local government budgets*  
*Pupils of art basic schools by field*  
*Students at universities*

### **24. Health**

*Beds in hospitals per 10 000 population as at 31 December 2010*  
*Beds in hospitals by founder as at 31 December 2010*  
*Diabetics by type of diabetes treatment*

### **25. Social security**

*Recipients of full old-age pension by monthly amount of pension as at 31 December 2010*
