

Introduction

The publication comprises results of the statistical report EP 5-01 (Annual Report on Fuels Stocks and Fuels and Energy Consumption) processing in 2009.

Obligation to submit the statistical report EP 5-01 refers to reporting unit (enterprise) with 20 and more employees that are registered under CZ-NACE division codes of all activities.

Fuels and energy consumption is surveyed by means of the report EP 5-01 where in 022 division there is surveyed the total consumption according to the enterprise's head office (place of business) and in 320 division there is surveyed the consumption in corresponding region according to the real working place where this consumption is realized (point of consumption). In the publication the fuels and energy consumption is presented both according to the CZ-NACE division codes and according to the administrative division. Data relating to 2009 are preliminary. From 2008 included there was changed the survey methodology and therefore the data are not comparable with previous years.
