Conferences

The **20th International Scientific Conference Applications of Mathematics and Statistics in Economics (AMSE 2017)** was held in Szklarska Poręba, Poland from **30th August to 3rd September 2017**. This scientific conference is organized each year by the Faculty of Informatics and Statistics of the University of Economics in Prague (the Czech Republic), Wrocław University of Economics (Poland) and the Faculty of Economics of Matej Bel University in Banská Bystrica (Slovakia). The conference aims to acquaint its participants with the latest mathematical and statistical methods that can be used in solving theoretical and practical problems and challenges of economics. More information available at: <http://amse.ue.wroc.pl>.

The **19th Joint Czech-German-Slovak Conference on Mathematical Methods in Economy and Industry (MMEI)** took place in Jindřichův Hradec, Czech Republic during **4–6 September 2017**. More information available at: <http://www.karlin.mff.cuni.cz>.

The **25th Interdisciplinary Information Management Talks (IDIMT 2017)** was held in Poděbrady, Czech Republic, from **6th to 8th September 2017**. More information available at: <http://www.idimt.org>.

The **35th International Conference on Mathematical Methods in Economics (MME 2017)** took place in Hradec Králové, Czech Republic, during **13–15 September 2017**. The conference is a traditional meeting of professionals from universities and businesses interested in the theory and applications of operations research and econometrics. More information available at: <http://fim2.uhk.cz/mme>.

The **11th International Days of Statistics and Economics (MSED 2017)** was held in Prague, Czech Republic, during **14–16 September 2017**, organized by the Department of Statistics and Probability and the Department of Microeconomics, University of Economics, Prague, Czech Republic, Faculty of Economics, Technical University of Košice, Slovakia, and Ton Duc Thang University, Vietnam. The aim of the conference is to present and discuss current problems of statistics, demography, economics and management and their mutual interconnection. More information available at: <https://msed.vse.cz>.
