

Preface

The Demographic Yearbook of Administrative Districts of Municipalities with Extended Powers gives an overall statistical overview of selected demographic indicators for these territorial units for the years 1995-2004. The administrative districts of municipalities with extended powers were set by Decree of the Ministry of the Interior No. 388/2002 Coll. of 13 June 2002, taking effect on 1st January 2003.

For the first time was the Publication printed in the year 2005 (code 4030-05) in printed and CD-ROM version of the Yearbook. In this year the Publication will be upgraded about the data from 2005 as well as it will be extended about new indicators. The Publication is available on CZSO's website www.czso.cz and CD-ROM.

We believe that the Yearbook will meet the interest of the users and that it will become a sought-after source of information for various activities.
