Monetary aggregates – annual growth rate

Client deposits by duration (as at 31 December)

Client loans by sector (as at 31 December)

8. Prices

Inflation rate

Index of consumer prices of selected kind of goods and services

9. Household income and expenditure

Structure of gross money household income in 2013

By activity status of the head of household

By decile

At-risk-of-poverty rate in 2014

Share of housing costs in net household income

10. Labour market

Unemployed persons per job vacancy and share of unemployed persons

The unemployed by unemployment duration

Age structure of the unemployed

Wage frequency distribution

Employees

By sex

11. External trade

Trends in external trade

Structure of exports and imports by SITC Rev. 4 section in 2014

Exports in 2014

Imports in 2014

13. Agriculture

Economic accounts for agriculture

Crop output

Animal output

Cereals

Milk

Harvest and consumption of potatoes

Harvest of hops and beer consumption

14. Forestry

Afforestation/reforestation

Roundwood removals

By tree species

Afforestation/reforestation

Roundwood removals

Employees and wages in forestry

16. Energy

Exports and imports of electricity

Production of electricity by source

Production of electricity from renewable sources and waste

Manufacture of briquettes and coke

Consumption of automotive fuel in the CR (including biofuels)

17. Construction

Housing construction

Building permits granted

Approximate value of the permitted constructions

Construction production index

Construction work by type of construction

18. Trade, hotels, restaurants, and tourism

Long trips of Czech nationals abroad

By destination

By means of transport used

Net occupancy rate of bed places and occupancy rate of rooms in hotels and boarding houses

Overnight stays in collective accommodation establishments – residents

19. Transport, information and communication

Passenger transport

Freight transport

Rail transport

Road transport

International freight transport

Rail transport

Road transport

21. Information society

*Fixed telephone network – PSTN lines
Registered domains of .cz
ICT specialists
Households with a computer and Internet access
Internet users 2015*

22. Science, research, and innovations

*Total R&D expenditure by sector of performance
R&D expenditure in the government and higher education sectors
Government sector
Higher education sector
University students of natural sciences and engineering fields of education*

23. Education

*Children in nursery schools by age
Pupils of secondary schools by type of education
Graduates from public universities by study programme*

24. Health

*Average duration of 1 case of incapacity for work in 2014
Patient's expenditure on regulation fees
Costs of health insurance companies per sickness-insured person*

25. Social security

*Share of old-age pensioners in the population as at 31 December 2014
Males
Females*

27. Justice, crime, accidents

*Average length of judicial proceedings
District courts
Regional courts
Convicts as at 31 December 2014
By age group
By prison category
Fires caused by smoking
Average duration of interventions of fire brigade units*

28. International comparisons

*Life expectancy at birth in 2013
Total fertility rate*

29. Selected indicators on cohesion regions and regions

*Divorces per 100 marriages in 2004
Divorces per 100 marriages in 2014*
