INFORMATION ABOUT THE REGION ON THE INTERNET

On the website of the Czech Statistical Office, since 25 June 2024, information about the Capital City of Prague has been published on www.csu.gov.cz on the Regional offices page / Capital City of Prague:

https://csu.gov.cz/pha/capital-city-of-prague

*The web pages contain available data about lower territorial units in the section called **Prague and its districts**… Data given there relate to the following territories: Region, Districts, administrative districts, towns and municipalities, and the cohesion region (Czech only). Time series for the territories are also part of it (Czech only).*

*The **Statistics** menu provides regional data broken down to seven thematic groups as follows: People, Society, Regions and Countries, Economy, Economic sectors, Labour market, and Science, innovation and digitalization. There, data on the Region are in the breakdown by group of statistics and most of them also by sub-group under the section called Regional data. Summary data on the Region can be found on the web page Regions and Countries / Regional statistics.*
